MEMORANDUM FOR THE RECORD

Morning Meeting of 16 October 1967

Godfrey reported that a response to a request from Secretary McNamara's office for analysis of charges by Wilfred Burchett on indiscriminate bombing in the North was sent over by LDX last night.

Godfrey noted that the government of the Indian State of Uttar Pradesh appears to be in trouble and that this is one of the main famine areas in the country.

In reply to a question Kent said that the Vietnamese Force-Strength Estimate will be ready for discussion with the Director before Friday.

DD/S briefed the Director on contingency planning in train for side effects on Agency installations during the 20-21 October anti-Vietnam demonstrations.

The Director queried Godfrey concerning Castro's speech. Godfrey felt that the summaries indicate a standard approach with no surprises but that analysis of the full text should be available in the next day or so.

The Director complimented the quality of the briefings for PFIAB last week and asked that his opinion be passed on to those involved in their preparation.
